

WEBINAR CONTENT AVAILABLE!

You can view our [World Standards Day](#) Webinar content!

Dear Participants,

SABS would like to thank you for participating in SABS' successful World Standards Day Webinar.

Now that we understand the Sustainable Development Goals (SDGs) a bit better through the content shared with all of you during our Webinar, we would like to share the full webinar video and the 4 Presentations.

We uploaded the video and presentation on our YouTube channel to view in your own time and comment if possible.
